Very Impressed!

December 31, 2018

Color: Color1 Size: Large **Verified Purchase**

When I decided to get this coat, there were only one or two reviews. So, I took a chance and decided to go for it because I really liked the color and what was in the description for the coat. I am very impressed by this coat! It looks very well made and the color in the pictures looks even better in person. I live in the midwest and our winter has had enough ups and downs lately that I have been able to try this coat out in various weather conditions. The coat is definitely water resistant, maybe waterproof, but I haven't been drenched enough to see that. The seams do seem to be sealed though, I have not had any leakage through them. I do think it is also windproof. The hood is deep and can cover the sides of my face well. The only thing that is any kind of drawback is that the coat is a little bit more fitted than I expected. The measurements they gave were correct, so it's not so much that I need a bigger size, it's just different. Definitely not a bulky coat. The sleeves are long, which I love, and have the wrist cuffs with the thumbs cut out. The main zipper is YKK, which is one of the best zippers. I really like the fleece lining along my back, gives extra warmth. Overall, I really like this coat, it's really nice!

Too small

December 23, 2018

Color: White+blue Size: X-Large **Verified Purchase**

Beautiful colors and quality but seriously undersized. If you have any curves at all and are not a stick figure, good luck. Had to send back.

Excellent quality and customer service

January 24, 2019

Color: Color2+purple Size: Small **Verified Purchase**

Great quality and beautiful vibrant colors! Very warm and cozy jacket. I ordered small and it was too small in pants, so if you are between sizes, I would go larger. My reference I am 5.3 and 125 lbs. Excellent customer service, all my questions were answered fast! Highly recommend this product!

The seller was extremely helpful

December 25, 2018

Color: White+blue Size: X-Large **Verified Purchase**

I loved how they fit! I normally buy pants and they're too short and a size two small but both the jacket and the bibs were a perfect fit. Also, the seller was great at helping me determine the perfect size for me. Will definitely buy from them again :)

High quality attractive construction

March 12, 2019

Color: White+blue Size: Small **Verified Purchase**

Insulated ski wear. Very warm and pretty.

Fit: everyone's dilemma with online purchases! I purchased a SMALL. 5ft 2, 110. Athletic build, slim below waist. Were it not for the latter "small" pants would not have worked. I guessed correctly! I have relatively wide shoulders and they were spot on.

I changed pant color mid order after considering pale blue may not stand up to oil, wax etc and customer service was very nice about it... Order received weeks earlier than expected too! Wow.

2nd purchase for my younger daughter

January 31, 2019

Color: Color1+black Size: Small **Verified Purchase**

Bought 2nd pair for youngest as she loved her sister's jacket. Ordered late so my little one couldn't use it, but my oldest daughter loved it. Jacket seemed fluffy that provide warmth for colder weather. Pants runs small(it fits on slim figure) on thigh. My oldest 5 3 just over 100lb and I bought small. Waist is adjustable, but thigh part is not so much room. But still comfortable. I bought small also for my youngest who is 4th grade and who is round on her belly. As I expected waist fits well as it is adjustable. So if anyone has thicker thigh I would recommend try one size larger pants.

But in general it was good price and fast shipping. We were very satisfied for the quality. I will let them try on rainy weather too.
