ORIGIN OF BUILDING

First recorded in 1250–1300, BUILDING is from the Middle English word *byldinge*. See [build](#), [-ing](#)¹

RELATED FORMS

build·ing·less, adjective

un·der·build·ing, noun

SYNONYM STUDY

1. BUILDING, EDIFICE, STRUCTURE refer to something built. BUILDING and STRUCTURE may apply to either a finished or an unfinished product of construction, and carry no implications as to size or condition. EDIFICE is a more formal word and narrower in application, referring to a completed structure, and usually a large and imposing one. BUILDING generally connotes a useful purpose (houses, schools, business offices, etc.); STRUCTURE suggests the planning and constructive process.

BETTER BACKGROUND CHECKS

We empower people to Hire with **Confidence**, through
Better Background Checks.

WHY BETTER

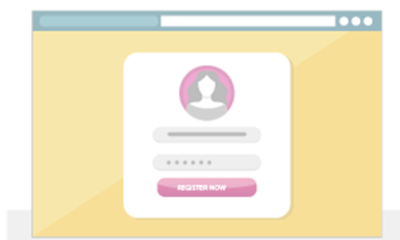

If you make hiring decisions for a living, you know that being backed by a powerful background screening process is essential; One that can stand up to the challenges of speed, report accuracy, and compliance.

Uniquely positioned as both a software developer and a quality data provider, Intelifi's platform was designed with both perspectives in mind. The result is a comprehensive screening solution that offers you cutting-edge functionality, built-in compliance tools, with human and AI review of critical records, providing only the highest quality background checks on the market.

With time and experience, we learned that the best approach is a collaborative effort between state-of-the-art technology and the right people. That's why we consider ourselves experts in employee background screening.

Let us lead you towards a safer, faster, more accurate background screening solution!
