## BankersHub / BankerCollege 2020 Catalog of Education Events

Since 2010, Bstuff LLC, through BankersHub and BankerCollege (our new Learning Management System) has delivered the industry's most comprehensive and expansive online education utilizing:

- Standard online events
- Expanded 3-part Bootcamps
- All-day 360 deep-dives
- Live-streaming from industry conferences
- Playback recordings and content library
- Educational certificates and certification

### Live-Streaming puts you onsite without leaving your office

Only BankersHub brings the action live to your computer or mobile device through live-streaming of popular industry events. BankersHub Live-Streaming not only gets you access to top speakers and the excitement of hearing conferences while they are happening, but also includes playbacks free with your registration that can be viewed and shared internally, saving you significant travel expense.

**New for 2020!**

## **Marijuana Related Businesses and High-Risk Banking**

**W**ith legalization of medical and/or recreational marijuana occurring in states across the country, Marijuana Related Businesses (MRB), along with related 'high risk' businesses such as CBD (short for *cannabidiol*, a legal extract from the cannabis plant), hemp and opioids, has rapidly become one of the leading legal and compliance concerns for financial institutions across America. BankersHub, however, has your back in helping you, your executives, and your staff keep up with this critical area of compliance!

***BankersHub has the most comprehensive training dealing with Marijuana Related Businesses! Check out the 2020 MRB Calendar Dates on Page 19***

## BankersHub Passport® Membership

**P**assport All-Access Training® Membership grants single-registration access to all of BankersHub’s regular education for 12 months from time of purchase! Like a season pass to a sporting event, Passport provides an institution 3 transferable log-ins to every:

- **Webinars**
- **2-Part Series**
- **3-Part Bootcamp**
- **Live-streaming special events**

This means that for just \$2,495, you receive 3 log ins to every live event that enable different employees to attend various events, depending on their interest. With over 400 webinars annually, our membership works out to less than \$2.50 per person at each event! And don’t forget that you get the playback link EVERY event in your subscription so anyone in your company can view these exclusive events at any time.

Members also receive significant discounts for on-demand training with each Certificate and Certification available for just \$495 each.

### What Passport Members Say

*“We have used BankersHub Passport for years. The webinars cover a wide variety of current banking topics. The nice thing is that you will receive a PDF of the webinar before it begins so you can determine if it is what you are expecting before taking the time to attend the webinar. You also have playback links in case the time of the webinar doesn’t fit your schedule. Well worth the price and definitely pays for itself! Highly recommend.”*

## Playbacks and On-Demand Events

Just a reminder that registrations to ALL events, as well as Passport All-Access Training™ Memberships include FREE Playback access!

### What does this mean?

- You do not have to attend an event to still get the playback
- Playback access does not expire
- Each paid registration entitles you to up to 3 separate log ins for the event!  
This means that attendees never have to crowd into a single conference room to watch the training.

### It could NOT be easier!
