Works but not the best quality

December 5, 2018

Color: TT-1X6 Holes **Verified Purchase** **Early Reviewer Rewards** [\(What's this?\)](#)

We've looked everywhere for a shot glass holder tray. Finally purchased this one as it is the size & shape we were looking for. Not super impressed with it as it looks and feels quite cheap and is basically just made of plastic. The glasses themselves are a nice shot glass and seem to be of good quality. But for the price, the tray leaves alot to be desired.

Nice Set

March 20, 2019

Color: TB-2X6 Holes **Verified Purchase** **Early Reviewer Rewards** [\(What's this?\)](#)

Set came in as advertised, nicely built, at first it wasn't very shiny until I realized that there was a sticky paper on both sides of the tray, it now glistens and looks great. Easy to put together, shot glasses are a nice addition.
