FAQ

Description

3 Tier 3 Sided Island LED Display Shelf

LED Baseline’s 3 Tier 3 Sided Island LED Display Shelf for those awkward spaces that have depth, with limited space on either side. This **lighted display shelf** is 3 sided, giving additional illuminated display area to your space. Our **3 sided island LED display shelving** is perfect for a narrow space with ample depth. These LED shelves are versatile, and work great as **liquor bottle display shelves** for nightclubs and bars, or as **lighted collectible display shelves** for your home or office.

Shelf Specifications

Our LED display shelves are built to suit your needs. Just

select the options that fit your space. The standard dimensions for our **3 tier 3 sided Island LED display shelf** are 11.75" tall x 26" deep. The first tier is 2.75" tall, the second tier measured 4.5" x 4.5" and the third tier is 4.5" tall x 9" deep. Choose a width from 12"-96". Custom dimensions are available upon request, just contact us for a quote!

LED Baseline's **lighted display shelves** are made using wood, laminate, and scratch resistant acrylic. The standard finish is black, but we have a wide variety of custom finishes. We can also add your custom logo to any shelf. Please contact us with any questions.

LED Specifications

Each **LED display shelf** comes with a remote control and a 12v DC power supply for use in a standard outlet. LED lights are located inside the tables and positioned to highlight objects placed on them. Our LED lights are color-changing, encased with 100% waterproof materials, and operated via remote control with removable tops for easy access and light replacement. The remote is a 44-button IR remote control which provides you with preset colors and various configuration options including:

- Color Fade Mode
- Fade Speed Control
- Brightness Adjustment
- Flashing Pulse Control

Logo Option:

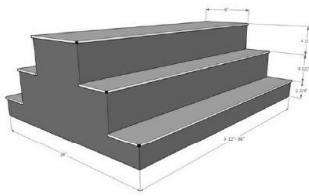

Customize your shelf with your name or logo! Your personalization will be etched into the shelf so that it will illuminate and promote your brand. Note that dimensions may change in order to accommodate custom requests,

additional charges may apply.

Finishes

Standard finish for the base of the shelf is a sleek gloss black. Choose from a variety of solid colors and wood grains. Check out the plethora of metal finishes some of which offer added textures!
