### **How Many Leads is Your Real Estate Investing Website Losing Each Month?**

As a real estate investor or agent, going with a low cost or cheap website builder vs. a website design focussed on performance could cost you thousands of dollars every single year. At Carrot, we focus on performance and ROI above all else – so you don't have to.

**Just 1 lost real estate deal may cost you \$10,000.  
Maybe more.**

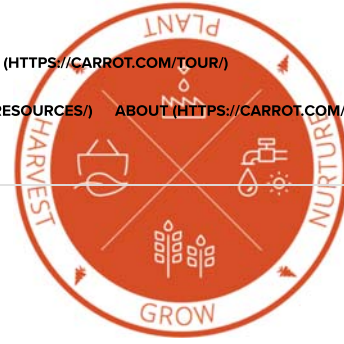

Our Innovation Lab is continually testing and improving the performance every day keeping you ahead of the curve. Whether you're a real estate wholesaler, house flipper, land investor, or real estate agent, our Carrot Conversion Methodology is built into every Carrot website.

Why do Carrot members **control so many page 1 Google rankings** for real estate search terms that matter?

It's a mix between our industry leading **inbound marketing tools** that help you rank better more easily (on the web and on mobile devices), our hands-on **expert coaching and support**, and our **training programs** exclusive to active agent and investor Carrot members. Bottom line, you'll have the tools and our team's support to get the job done.

I'm getting **2x more motivated seller leads with Carrot** than my old site, and the tools and content help me stand out in my

crowded market.

## Beautiful, High-Converting Websites

Behind the scenes, we work hard to balance our websites with conversion optimization, ease-of-use, and elegance. It all comes together to create something that is uniquely Carrot – meaning that it converts better *and* looks beautiful, a difficult balance to strike, but one that we've perfected.

## Comprehensive Trainings

At Carrot, we don't want to just give you a website, we want to help you drive traffic to, customize, and brand that website. Our extensive trainings about advertising on Craigslist, Facebook, PPC, Direct Mail and *tons* more allow you to make the most of your high-converting website.

## World-Class Support

If you ever have any questions about making your website perform better, our world-class support team is waiting to help you. We encourage you to contact us when you're struggling with something and we're committed to helping you as best we can, as fast as we can.

## Simple, Powerful Lead Management

With text message notifications, we give you the best chance of closing deals from online leads. Plus, you can organize all of your leads based on their status easily on your dashboard. No other tools necessary. *But*, if you do want to integrate a CRM

## Automated Content Marketing

Not only do we code your website's backend to rank well in Google, we give you dead-simple keyword placement guidance and monthly content packs that you can publish on your website. With Carrot, you automatically have a higher

## Multiple Landing Pages

If you operate in multiple markets, don't worry – with Carrot, you can create multiple landing pages on the same website that are built to rank in Google for the market that you're creating it for. You don't have to have several websites
