

VIRTUE

Virtue Worldwide U.S.

Founded in 2006, VIRTUE is a full-service creative agency. Headquartered in Brooklyn with 25 offices globally, VIRTUE specializes in developing brand platforms, programs and campaigns that speak to youth audiences worldwide. VIRTUE acts as lead creative, content, and cultural agency and engages on project-based assignments for clients, including CHANEL, AB-InBev, Bacardi, Coca-Cola, Google, lululemon, Samsung, and Unilever.

VICE/VIRTUE INTERNSHIP PROGRAM

Our Internship Program provides a unique learning opportunity for individuals interested in careers in the media industry and related fields. We is seeks bright, creative, and hard-working interns to play pivotal roles across various departments.

During our 10 week program, interns will have the opportunity to learn more about journalism, production, design, editing, and more. Interns will also assist with a range of projects that compliment their career interests, gain industry relevance and exposure to the organization, attend workshops, socials, and networking events. Ultimately, Interns will work closely with our staff and will gain first-hand experience of the day-to-day of one of the leading international youth media companies. You can view all internship openings [here](#).
