

Response to Office Action

In the Office Action mailed July 19, 2019, the Examining Attorney refused registration of the applied-for mark for an indefinite identification of services and insufficient fees.

Identification of Goods

In the Office Action, the Examining Attorney asserted the identification of goods is indefinite and must be clarified. *See* 37 C.F.R. §2.32(a)(6); TMEP §1402.01. Applicant notes that no amendments were suggested for Class 20 and therefore assumes such identification is acceptable.

Applicant respectfully proposes the following amended identification of services:

Class 20

Mattresses; mattress foundations; pillows; adjustable mattress bases; bed frames

Class 24

Mattress pads; mattress covers; ~~bedding~~; namely, quilts; bed spreads; ~~bed~~ blankets; ~~bed~~ sheets spreads; flat bed sheets; fitted bed sheets; bed linens; comforters; duvets; pillow cases; pillow shams; bed shirts; coverlets; throws.

Insufficient Fees

The Examining Attorney stated the insufficient fees must be paid or the application identifies goods in more than one international class. Applicant herewith submits the required fee for the second international class in the applied-for mark.

Conclusion

In view of the foregoing remarks, Applicant respectfully submits that its applied-for mark is entitled to allowance.

If the Examining Attorney requires any changes to the application that could be made by Examiner's Amendment, Applicant respectfully requests that she telephone the undersigned attorney at: (801) 533-9800. The Commissioner for Trademarks is authorized to charge any additional fees associated with this response to Deposit Account No. 23-3178.
