

WELCOME TO LTK

From its debut in 2005, Legal Test Kitchen (LTK) was a pioneer in the city's developing Seaport District. It's within easy walking distance of attractions such as the stunning new Institute of Contemporary Art, the World Trade Center, the Boston Convention and Exhibition Center, the seasonal Bank of America Pavilion for big-name entertainment, and multiple shiny new hotels including the Seaport, the Westin Waterfront, and the Renaissance Boston.

The daytime scene buzzes with business lunches in our streamlined dining room. As dusk approaches, drop-in guests and neighborhood residents wind down from their workday with a specialty cocktail. A bit later, as conversations hum, the action cranks up again as five flat-screen TVs at the bar stream sports and news updates.

LTK boasts the area's longest hours of operation – as late as 2 AM ! The state-of-the-art Legal Test Kitchen is a true showcase for the global evolution of dining trends, offering innovative technology matched to multi-cultural cuisine. In warm months, try call-ahead seating for a patio table – perfect for people-watching in the Seaport! And with both Open Table bookings and call-ahead seating, LTK is ready whenever you are.

But there's way more to LTK than the buzz and the hype and the hip ambiance. Underpinning it all is the firm foundation of Legal Sea Foods' culinary expertise. That depth and strength is expressed at LTK with a new menu every six weeks. The commitment demonstrates LTK's drive to serve seasonal, local, healthful foods.
