Here's What Our Members Have To Say

"Steer takes the best part of having nice cars and eliminates the worst part about having nice cars."

"This is the future of car ownership. Why buy one car when you can have many?!"

"Steer makes me feel special and appreciated. I feel like I'm getting my full money's worth every month from the service."

What's the Catch?

No sneaky contracts or fine print

Why use Steer over leasing or purchasing?

With Steer, you get a car subscription that lets you drive your way, however and whenever you want. No down payments, loan interest, long-term commitment, trips to the DMV, or hidden fees. Steer lets you drive hassle free.

What's included?

- Access to your own virtual multi-car garage of awesome vehicles for every occasion
- Insurance, maintenance, and repairs
- Unlimited miles
- A personal concierge for hassle-free delivery
- Charging solutions for in and out of your home

What are the fees?

There is a one time, non-refundable activation fee of \$500 (plus tax) to get you started with Steer. You will be charged your activation fee on the day of your first car delivery. This is separate from your monthly payment.

What kinds of cars are there?

We offer three types of vehicles: Battery Electric Vehicles, Plug-In Hybrid Electric Vehicles, and Hybrid Electric Vehicles.

Where is Steer available?

Steer is currently available in the greater DC Metro area, including the surrounding suburbs in Virginia and Maryland. Join our newsletter and let us know if you're interested in bringing Steer to your neighborhood.

Who is eligible?

You must be 26 and older to be the primary subscriber. The primary driver may assign a secondary driver, who must be 21 years and older. The secondary driver will need to go through the same approval process.
