A New Era of Efficient Cleaning

Built-in iPath™ Laser Navigation and A.I Map™ Technology allow for our most efficient clean ever!

Customized Cleaning Complete Control

Customized target cleaning that fits your home. Set virtual boundaries, right from your phone, to ensure Robovac cleans only the areas required.

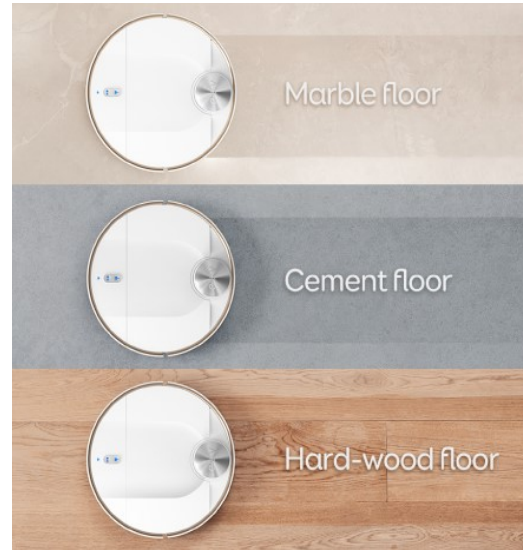

Packs a Punch

2200Pa of hard-hitting suction power for a thorough clean every time

BoostIQ

Smooth and smart transitions on multi-surfaces. Automatically increases suction power when extra vacuuming strength is needed.

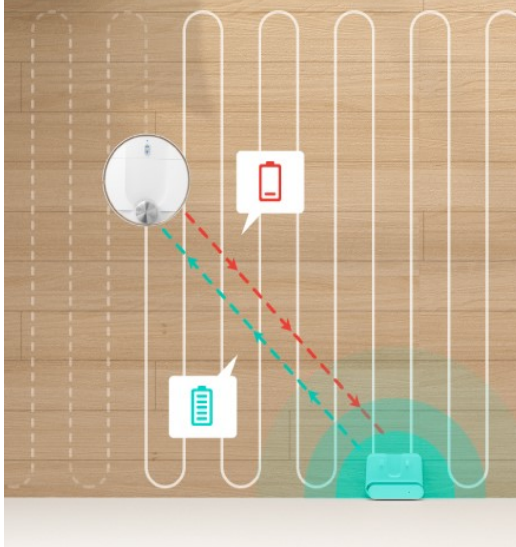

Intelligent Mopping

Automated water control allows for effective cleaning without spillage.

Adjustable Mopping Power

Use the EufyHome app to adjust power settings for mopping on different surfaces.

PinPoint Return

Precise targeting allows RoboVac to return to the exact point at which it paused cleaning.

Set Virtual Boundaries

Customize each cleaning task so that RoboVac only mops and cleans where needed.

You're in the Driver's Seat

Control by voice or using your phone. Give detailed commands and receive feedback on how your RoboVac is performing.

Easy Maintenance

Convenient 3-in-1 Washable Filter makes for easier cleaning and less maintenance.
