The four U.S. dates will be her only concerts in the country in 2020, according to a press release — though on Instagram, Swift did note, "additional dates coming soon!"

Lover Fest West will take place July 25th and July 26th in Los Angeles' new NFL venue SoFi Stadium, making Swift the first woman in history to open an NFL stadium. Swift will then play Lover Fest East at Gillette Stadium in Foxborough, Massachusetts, on July 31st and August 1st.

"The Lover album is open fields, sunsets, +SUMMER," Swift wrote on social media. "I want to perform it in a way that feels authentic. I want to go to some places I haven't been adn play festivals. Where we didn't have festivals, we made some. Introducing, Lover Fest East + West!"
