

Class 36: Insurance consulting about loss control in the field of commercial trucking and transportation for the purpose of compliance with federal, state and local government agency or entity rules regulations, ordinances and other laws applicable to the commercial motor vehicle and transportation industry, including Federal Motor Carrier Safety Administration (FMCSA) rules and regulations.

The screenshot shows the Simplex Group website's "Trucking Insurance" page. The header features the Simplex Group logo on the left and navigation links for Home, Services, About Us, Contact, and Simplex Portal on the right. The main heading is "Trucking Insurance". Below it, a paragraph states: "As part of the Simplex Group family of companies, Orbis Insurance Group is an agency that specializes in offering insurance products strictly for the transportation industry." A second paragraph follows: "Whether you are an independent owner operator, motor carrier, we offer you the best variety of insurance products. As trucking is our insurance expertise, our mission is to supply specialized programs and services that provide trucking companies the proper risk management solutions to manage their business. Our professional team is dedicated to representing each of our clients' needs through our excellence in customer service." To the right of the text is a photograph of a person in a green shirt shaking hands in front of a yellow truck. A list of services is provided below the text, each preceded by a double arrow icon: New Business and Policy Renewals, Trucking Liability, Trucking Cargo, Physical Damage, Dump Trucks, Intermodal, and Hot shot.
