SupraBiotic™

The Slimming Probiotic™

+ Gut Feelings

+ The Gut-Wrenching Truth

+ Probiotically Speaking

+ SupraBiotic™ Ingredients

- CONCLUSION

As you can see, SupraBiotic™ takes the concept of probiotic far beyond where anyone has previously taken it before. It starts with bacterial species carefully and purposefully selected to protect against dysfunction of the gut and microbiota to promote better health, better appetite control, better metabolism, and better fat loss. On top of this, SupraBiotic™ addresses and supports novel probiotic bacterial species that you cannot attain, anywhere, and does so in a way that no other product is even close to doing. Finally, its supporting ingredients crush inflammation and repair your leaky gut, leaving your body functioning in the optimal way it is intended to.

SupraBiotic™ is a one of a kind product that fits perfectly with and enhances any diet and exercise program, any supplement regimen, any lifestyle.

SUPPLEMENTS

THIS DOESN'T MEAN THAT ALL PROBIOTICS OR PROBIOTIC-CONTAINING FOODS WILL IMPROVE YOUR HEALTH.

Only certain probiotics, like Red Mango's Super Biotics*, are clinically proven to deliver health benefits.

RED MANGO'S SUPER BIOTICS

Many probiotics found in capsules and other yogurts are extremely fragile. Few survive the stomach acid and go on to populate the intestines, providing minimal health benefits. Some producers even use processes that kill these beneficial cultures.

Not at Red Mango.

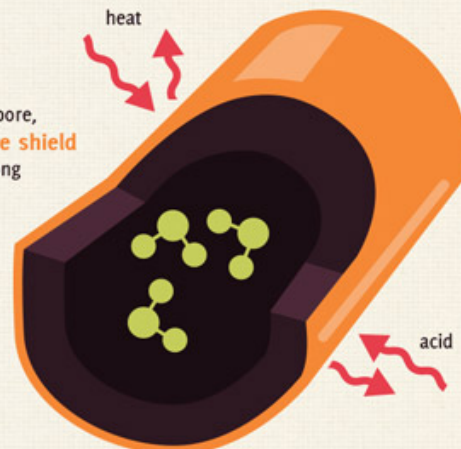

RED MANGO IS THE ONLY YOGURT AND SMOOTHIE RETAILER THAT FORTIFIES ITS YOGURT WITH SPECIAL "SUPER BIOTICS"

This patented strain of probiotic bacteria is clinically proven to support the digestive and immune systems**

Inside each cell of the bacteria is a hardened structure, or spore, which is similar to a seed. It serves as a **natural protective shield** against the heat and pressure of manufacturing and the strong acids in your stomach.

Red Mango's Super Biotics are designed to survive and thrive in the stomach, so more cultures and viable cells are delivered than with ordinary yogurt.***

WHEN ADDED TO YOGURT, SUPER BIOTICS:

Under the Paperwork Reduction Act of 1995 no persons are required to respond to a collection of information unless it displays a valid OMB control number.
