

United States Patent and Trademark Office (USPTO)

**Preliminary Reply to Office Action (Official Letter) About Applicant's Trademark Application and
Request and Agreement to Suspend Prosecution**

Ecom115@uspto.gov

Serial No. 88501136

Mark: GAIA

Pursuant to a telephone conference with the Examiner, applicant hereby requests and agrees to Examiner's suggestion that suspension would be the optimal path at this time. Two of the four cited references are still pending and suspension until such time as those references have been resolved would allow this application to proceed most efficaciously.

/Michael H. Davis/
