

About Us

We are now open for our 2020 season!

Both of our yards will remain open during the COVID crisis, but to protect our customers and employees we have closed our showroom. Please call (616.784.0794) or see a loader operator to place your order for pickup or delivery. Thank you for your understanding during this time & stay healthy!

- Greenleaf Staff

Greenleaf Landscape Supply is a landscape supply company located in Grand Rapids, Michigan. We specialize in quality landscape products. We are open by appointment only during the winter season. Feel free to check out our photo [gallery](#) of landscape products.

We pride ourselves on providing our customers with the finest quality landscaping products. We have everything from soils, mulches, aggregates, and stones. We also offer delivery services - we have a varied fleet of trucks allowing us to deliver material in amounts from 1 to 100 yards. If you do not see what you are looking for on our website, contact Greenleaf with your inquiry and we will do what we can to get exactly what you are looking for.

With a wealth of experience in the landscaping industry, you can trust Greenleaf Landscape Supply to provide you with the finest in soils, mulches, and other aggregates, helpful design services, and reliable delivery services. We understand how the landscaping business works, and do our absolute best to make sure our customers are pleased with the final result!

Please Note:

Our products are natural and tend to vary in weight, color, size, etc from one load to another. Please order what you need at one time to assure matching materials. Aggregates and miscellaneous products are available at our North Park location only.
