ABOUT US

We are a group of individuals who are interested in supporting our local community. We come from all walks of life and backgrounds. As individuals, it can be challenging to make a meaningful impact in our community, but as a group we have the ability to support the work of nonprofits that powerfully impact the quality of life in our community in ways that we never thought possible.

Our goal is to reach out and help our community with 100 or more members each pledging to contribute \$100 every quarter to charities who have a footprint in Miami County. The goal is to keep it local and have an impact that we can see in our community.

Give Where You Live is Perfect for you if:

- You want to help those in need in our community
- You want 100% of your donations to go directly to a charity
- You are interested in learning about the charities in our area
- You want to meet and connect with other generous people in the community
- You want to be a part of a powerful group of individuals who make an impact
- You want the opportunity to present your favorite charities, which then have a chance to be selected to receive a substantial donation

GIVE WHERE YOU LIVE

When the United Way campaign starts at your office, make sure your donation goes to your hometown.

If you work in another city or are a state or federal employee, it's easy to invest your charitable contribution in your community. Just remember to use your designation code when you pledge.

DESIGNATION CODES

Commuters and State Employees
Designate 7100

WHY GIVE WHERE YOU LIVE?

United Way of Norman is governed by a local volunteer Board of Directors and is completely independent of any other United Way organization. This allows us the ability to respond to local needs and reflect the priorities and core values of the residents in our community.

We depend on our local nonprofits to meet so many of our community's most basic needs, but the shortage of funds for these organizations is creating large gaps in services.

This is why we encourage those that live in Norman to give here. It is our goal to connect people like you with the issues you care about and organizations that support our neighbors.

QUESTIONS?

If you have any questions, ask your United Way Employee Campaign Coordinator how to designate your gift to United Way of Norman or write the following information on your pledge card: "Designation 7100 for the United Way of Norman."

We want to inspire people to invest their money into the community in which we live and enjoy!

GIVE *Where You* **LIVE**

The Columbus Park Foundation
Make a donation to the Columbus Park Foundation to help support the mission of the Columbus Parks and Recreation Department.
Enriching Lives... Building Community...

Dear Friend,

The Columbus Park Foundation's mission is to aid and encourage the Columbus Department of Parks and Recreation in the acquisition, conservation, and development of lands for park and recreation purposes; to secure long-term financial support, including an endowment fund, for park and recreation projects; and to support and encourage full community participation in recreation programs through scholarships and other resources. The Columbus Park Foundation is a 501(c)3 not-for-profit organization dedicated to assisting the parks department through partnership with the help of local donors such as yourself. We aim to foster lifelong appreciation for parks and recreation and to strengthen community, and we extend our sincerest gratitude for being involved and helping us to fulfill and further our mission.

Looking back, 2019 has been an exciting year for the department. The Jolie Crider 2.0 skatepark was built and officially revealed in early November; the Clifty Trail project was completed, adding over 1/2 mile to our existing people trail network; and three public sessions have now been completed for the Fair Oaks Mall project, the last of which resulted in the completion of the strategies and recommendations phase of the project and the presentation of conceptual designs of the new facility.

Looking ahead to 2020 and beyond, we are focused on the completion of the Fair Oaks Mall project which will provide Columbus and the surrounding counties with an amazing communal facility capable

of enhancing the lives of all members of our community; we plan to continue expanding our vast people trail network; we plan to renovate the James A. Henderson playground at the Commons which will continue to serve many families in Columbus and the surrounding areas; and we plan to continue expanding the presence of parks and recreation in Columbus through new and existing parks, new and existing scholarship funds, and new and existing services and programs for adults, children, and families alike.

Please consider a donation to the Columbus Park Foundation this holiday season (by way of any of the detailed list of donation areas shows on the opposite side). It is the generosity of our donors that allows the Columbus Park Foundation to continue to carry out its mission and enables the Department of Parks and Recreation to continue to deliver high quality services. Your tax-deductible gift will help us enormously and for that we are greatly appreciative.

Wishing you warmth and light throughout the season,

Help us reach our goal.

Endowment

Endowments grow beyond today and assure our future generations the access to quality parks and recreation.

People Trails

The People Trails allow our community to participate in healthy activities as well as offer an alternative means of transportation for many.

Recreation

Recreation covers a wide spectrum of inclusive activities for a variety of ages from pre-school to adults. They are a mix of free, low cost and fee-based activities.

James K. Baker Trees

Donations have helped to expand and replace over 100 trees ever per year.

Pollinator Parks

Pollinator species have declined in numbers, become endangered, and even gone extinct. By helping create and restore pollinator habitats, great strides can be made in their recovery.

The Commons Playground

Attracting over 100,000 guests annually, the playground is a highly used, free, public asset that provides a safe environment where kids can be active rain or shine.

Give Where You Live

Washtenaw County is full of strong community pride. From Ypsilanti to Manchester, Dexter to Milan, and everywhere in between, there's a love for where we live, work, raise families – and where we choose to make a difference.

The work we do at the Ann Arbor Area Community Foundation happens thanks to the support of generous donors who, like us, are committed to making Washtenaw County a better place for everyone. No matter which part of Washtenaw County you are from, AAACF works for your community.

When you Give Where You Live, you show your love and dedication to your community and become an important part of our impact. Your gifts will become part of our permanent endowment, which means they will continue to benefit Washtenaw County forever.

AAACF honors the legacy of our donors while working to address key community issues. We can help you achieve your charitable goals and make an impact on Washtenaw County. AAACF is here to make giving easy and effective.

Because we offer customizable giving options, you can accomplish multiple charitable goals with a single gift to the Ann Arbor Area Community Foundation. We will work with you to determine how best to fulfill your philanthropic goals, while minimizing the administrative burden. Together, we can work to further your donation and create a lasting impact on Washtenaw County when you Give Where You Live.

HCCF provides philanthropic leadership by encouraging giving, learning, community pride and civic engagement. Working with caring individuals, families, and organizations to create or grow existing permanent endowment funds is critical to the organization's mission. These funds generate income that is distributed in the form of grants and scholarships to enrich and enhance life in Hancock County, as well as support the donor's favorite charitable causes, both at home and afar forever. HCCF has granted millions of dollars since its inception in 1992.

Simply put, we help people achieve their philanthropic dreams.

Home is where the heart is

Several years ago, we worked to find a way to allow UTMB employees working across the state to give to agencies and causes in the communities where they live and work. With three campuses, a large network of Correctional Managed Care sites, 30+ clinics in the Regional Maternal and Child Health Program, plus many other community clinics throughout the region, the effort proved popular and our hope is that it will once again have a significant positive impact in many new places.

How it Works

The State Employee Charitable Campaign divides the state into campaign areas. Galveston Island is one campaign area. The rest of Galveston County and Greater Houston are another area. Seventeen campaign regions blanket Texas in total.

The majority of charities that are part of the annual campaign are called "statewide charities." They are statewide or national in scope, and are shared in common by all the regions. However, in addition to these shared agencies, each of the individual areas has a group of local charities that are part of the campaign for

that specific region. For example, the local charities in the Galveston campaign have included choices as varied as the Rosenberg Library, the ADA Women's Center, and the Galveston Island Humane Society. Other regions have similar choices that typically serve needs within a specific community.

Your gifts are welcome wherever you choose to direct them. With a few extra--but simple--steps, you can give to any SECC local charity in the state. Here's how:

Step 1:

Select your region (<http://www.secctexas.org/map.php>) and visit its directory to see local agency choices, all linked below. The local charitable organizations are listed starting on page 21 of the 2019 campaign directories.

Step 2:

Review your options and select your local agency, agencies or charitable group, and jot down the agency code(s) and name(s).

Step 3:

Visit the **UTMB SECC online giving form** (<http://www.utmb.edu/secc-pledge/>) and select the agency or group you noted in **Step 2**. The choices in the dropdown menus on UTMB's form will include all statewide agencies, Galveston local agencies, and local agencies from other campaign regions.

You'll be able to use payroll deduction and support the charity of your choice simply and easily, regardless of where you live or work.
