Founders + Leaders Cohorts

WHAT ARE THE FOUNDERS + LEADERS COHORTS?

A cohort is group of 5-7 founders and/or CEOs who meet for dinner and topic-driven discussion every month. The forums last for 3-4 hours and are hosted by a facilitator. For certain cohorts, the facilitator will be a current or former CEO, and in others, it will be a professional facilitator who has experience from organizations such as YPO.

WHO IS INVITED?

A cohort is comprised of GGV portfolio founders/CEOs who indicate interest in participating and are willing to commit to the group for a period of at least six months.

Each cohort will be curated and determined by the GGV team and considerations given to stage, sector, experience and market.

HOW IS IT STRUCTURED?

In Fall 2019, we are initiating two cohorts, one based in NYC and one in San Francisco.
