LIBERTINE
WHOLE FLOWER CBD

Libertine is a full spectrum CBD product crafted from whole flower hemp, delivered using Omura's exclusive heat-not-burn technology. A range of flavor options are available to satisfy individual taste preferences, as well as a simple unflavored pure CBD flower option. Instant sensation, zero compromises, so you can savor CBD without limits. Free to be fully in the now. Here for whatever's next. Because the future always favors the bold.

Libertine CBD Sticks Will Be Available Nationwide In November
