II. Controlled Substances Act / Cannabis Related Goods Refusal

The Examiner has refused registration on the basis that the Applicant cannot have a bona fide intent to lawfully use the applied-for mark in commerce with respect to the listed goods. Applicant respectfully asserts that this basis for refusal is moot in light of the amended recitations of goods adopted herein.

III. FDCA Refusal

The Examiner alleges that the Applicant does not have a bona fide intent to lawfully use the applied-for mark in commerce with relation to the goods identified in Classes 5, 29, 30 and 32 because pursuant to the FDCA it is unlawful to introduce food or beverages containing added CBD into interstate commerce or to market CBD as, or in, dietary and nutritional supplements, regardless of whether the substances are hemp-derived. However, applicant notes that it has a bona fide intent to lawfully use the applied-for mark in commerce because it is authorized to import products containing CBD into the United States in furtherance of one or more FDA-approved clinical trials.

IV. Drug Paraphernalia Refusal

The Examiner has refused registration for certain goods in Class 34 because Applicant allegedly does not have a bona fide intent to lawfully use the applied-for mark in commerce. However, Applicant respectfully asserts that this basis for refusal is moot in light of the amended recitations of goods adopted herein.

V. Request for Additional Information

The Examiner has requested additional information regarding the Applicant's applied for goods. Applicant submits the following responses to the posed questions.

1. Do or will the goods include cannabidiol (CBD)

None of the listed goods identified in the application include cannabidiol (CBD), beyond any legally permissible level, as a component or ingredient, except those goods in Class 31.

2. If so, will there be more than a trace amount of CBD in the goods, e.g. more than 50 parts per million (PPM)

The goods identified in the application will not contain CBD beyond any legally permissible level, except those in Class 31.

3. Do or will the applicant's identified goods include CBD which is derived from, oils, extracts or ingredients from plants other than Cannabis sativa L?

The identified goods will not include CBD from plants other than Cannabis sativa L.

4. Is applicant currently seeking FDA approval of the marketing of any of its goods identified in the application?

Applicant is not directly seeking FDA approval of the marketing of any of its goods identified in the application.

5. If the answer to Question 4 is "yes," please provide a copy of such application.

The answer to Question 4 was "no," therefore this question is moot.

VI. Varietal Name Inquiry

Applicant respectfully submits that CANNRELIEF has not and will not be used as a varietal or cultivar name. CANNRELIEF has not and will not be used in connection with a plant patent, utility patent, or certificate for plant variety protection.

VII. Prior-Filed Application Advisory

Applicant elects not to submit arguments in connection with the prior pending application identified by the Examiner at this time but reserves the right to file arguments if the prior pending application matures into a registration and a likelihood of confusion refusal is issued.
