

Variety Name Search Instructions

Enter a kind name and variety name then click "Perform Search."

If you choose to search a kind name without a variety name, click the "pass in blank variety" box which will bring up all variety names with that kind.

If you choose to search a variety name without a kind name, click the "pass in blank kind" box which will bring up all kind names with that variety.

After each search, please be sure to click "Reset Form."

**** Please note that even if you do see a variety name listed, it does not mean that the name has been released in the U.S. ****
