#### Does Disputing a Credit Report Hurt Your Credit Score?

March 5, 2020 / John Ulzheimer

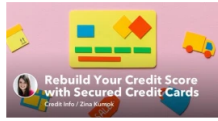

One of the rights afforded to us under the Fair Credit Reporting Act is the ability to challenge information on our credit reports with which we do not agree. I addressed several methods of disputing credit entries in this Mint...

#### Beyond the Credit Score: The Other Two Numbers You Need to Know from Intuit Turbo

January 29, 2018 / Mint.com

It's not an uncommon experience: you didn't close old accounts, avoided unnecessary hard inquiries to your credit report and even made sure you never exceeded 30% of your total credit limit. Your credit score was on fire – you did...

#### How credit inquiries may (or may not) affect your credit score.

January 3, 2018 / TransUnion

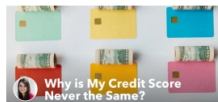

If you've applied for credit recently – maybe for a store card over the holidays – you may have come across the term "inquiry." Even if you're not familiar with credit inquiries, it's critical to understand what they are, how...

#### Why is My Credit Score Never the Same?

December 20, 2017 / Zina Kumok

Checking your credit score can be a bit overwhelming and even anxiety-inducing. Where do you get your score? Should you pay for it? Should you get it for free through your bank or credit card issuer? Why is your score...

### 3 Easy Ways to Improve Your Credit Score

October 23, 2017 / Zina Kumok

If you've never actively worked to improve your credit, a credit score might seem like black magic. You may understand that scores run from 300 to 850, but that's where most people's knowledge ends. When you don't understand the forces...

### What Your Credit Score Says About You

January 31, 2017 / Farnoosh Torabi

Your credit score is more than just a number. It represents how reliable a borrower you are, how well (or poorly) you manage your debt. Just like your SAT scores back in high school (which I prefer to never think...
