

What is Mint, and how does it work?

When you're on top of your money, life is good. We help you effortlessly manage your finances in one place. The more accounts you link, the more we can do for you.

Sign up Free

See everything in one place

We bring together everything from balances and bills to your credit score and more. It's your financial life, in one place that's easy to understand.

Simple and free to set up

It's free and easy to get started, and we connect to almost every US financial institution connected to the internet. In just minutes, you'll see where your money is going and get ideas on how to stretch it farther.

A smartphone screen showing a list of accounts under the heading 'ACCOUNTS'. The list includes: 'Cash' with a balance of '\$5,282.20'; 'Wells Fargo Checking' with a balance of '\$5,000.20' and a note '1 minute ago'; 'Wells Fargo Savings' with a balance of '\$282.00' and a note '2 minutes ago'; 'Credit Cards' with a balance of '-\$2,129.48'; 'Loans' with a balance of '-\$12,432.50'; and 'Investments' with a balance of '\$15,564.34'.

Stay up-to-date as it happens

Mint automatically updates and categorizes your information. From your bank accounts and credit cards to retirement accounts and more—we'll crunch the numbers as they happen so you know where you stand.

Custom tips and savings

As Mint helps you manage your money, we can also help you find savings along the way. We analyze thousands of checking, savings, credit card, brokerage, CD and IRA rollover offers—then make recommendations that could help save you the most based on your lifestyle and goals.

Sign up for Mint today

From budgets and bills to free credit score and more, you'll discover the effortless way to stay on top of it all.
