Tax Time Allies

IFFF founded and sponsors Tax Time Allies, a growing movement of public, private and nonprofit groups and organizations working to empower taxpayers to take control of their finances and save more of their hard-earned money. Tax Time Allies promotes free IRS sponsored programs like Volunteer Income Taxpayer Assistance (VITA) programs, Free File and Tax Clinics for the Elderly (TCE) and helps people use the tax time moment to invest in their financial lives by joining savings programs or connecting to other financial empowerment efforts.
