

APPENDIX A

The background of this section features a light blue and white geometric pattern of overlapping triangles and lines. The word "Forum" is written in a dark blue, sans-serif font at the top center. Below it, the main headline "Engage audiences anywhere." is displayed in a large, bold, dark blue font. Underneath the headline, a paragraph of text in a smaller, dark blue font describes the product's capabilities.

Forum

Engage audiences anywhere.

Forum shares presentations in-person to nearby devices and lets you engage audiences anywhere—all without using the internet. Now any place becomes a meeting space.

All devices welcome

Forum connects any phone, tablet, or laptop within range regardless of the platform. No dongles, cords or internet needed!

Present anywhere

Connect to audiences and their devices from your laptop without the internet. Present to groups of all sizes on all kinds of devices.

Download Files

Files of any type (including the presentation) can be made available to download from any device.

Discreet Q&A

Presenters can field questions from audience members, see who asked what, and sort the most popular questions to the top.

Conduct Polls

Poll audiences and aggregate the answers over multiple meetings. Discover audience trends and gain insights.

Screen Sharing

Share your screen directly to audience devices to show videos, apps, or demonstrations in real-time with no additional downloads required.

Contact Exchange

Easily collect audience contact information for follow-up after the meeting.
