Northern Nevada Health System

May 19 ·

Northern Nevada Medical Center is fully operational. We are monitoring for symptoms in patients and implementing isolation protocols, if needed. We are taking proactive steps to keep our patients and team members safe while serving the needs of our community. We are actively monitoring and responding to all recommendations made by the CDC and our local Health Authority.

Consistent with community efforts around social distancing to limit the exposure to individuals who may hav... See More

Say hello to Catherine who works in housekeeping at the ER at McCarran NW and prior worked with our surgical team at our hospital in Sparks. During National Environmental Services Week, and we want to thank all of our staff for making our hospital shine! They play an important role year-round, and even more so during COVID-19.
