## PHILOSOPHY

### The Beginning

SECO-LARM® has been providing security systems and accessories since 1971. Originally a designer and manufacturer of lighting devices as well as an installer of alarm systems, SECO-LARM® has evolved into a leading supplier of both automotive and commercial/residential security products.

As part of this evolution, SECO-LARM® moved away from only original equipment manufacturing (O.E.M.) and private labeling. Today, the SECO-LARM® trademarks ENFORCER®, CRIMEBUSTER®, CBAP, SECOPAGE®, AMAX®, SL®, and SLI® are synonymous with quality, reliability, and state-of-the-art design.
