## Important Note:

- Shipping address is billing address.
- Products listed in this order need to be installed professionally, as they require fine-tuning and adjustment after installation.
- It is highly recommended to get help from an experienced mechanic, refer to your local dealers (check our website), or book an appointment with us for an Installation session.
- If you choose to do it yourself, with your own responsibility, please make sure you refer to our available online guides (on our website), as this is a safety concern.
- All Purchase, Return, Service & Warranty matters are under our Terms & Conditions, accessible at <https://ebikebc.com/support/terms-and-conditions>
- For Customer's Support, Technical Guides and FAQ visit: <https://support.ebikebc.com>
