Job Description

Come join our team at Medline ReNewal in Redmond, Oregon! Our custom-designed new manufacturing facility is a great place to work and offers employee-friendly perks and benefits. To learn more about us, check out this video on YouTube! <https://www.youtube.com/watch?v=LsdpSjd1fYs&feature=youtu.be>

We are now hiring for a Decontamination Technician! A Decontamination Technician is responsible for the initial sorting, photographing, decontaminating and drying of all invasive medical devices in the Redmond, Oregon facility. All work performed must comply with Medline ReNewal's standard operating procedures as well as FDA guidelines to ensure patient safety. Decontamination Technicians must be able to work with strong smells (chemicals, body fluids) while handling contamination and/or sharp surgical instruments.

Essential Functions Of The Job

- Receive containers of devices from receiving team and confirm all necessary paperwork present
- Sort each bin of incoming contaminated devices by device type in a safe manner
- Document devices received and forward to appropriate decontamination area or reject if it is a device that is not eligible for reprocessing
- Take appropriate steps to decontaminate devices which may be one or more of the following: Use chemical soaks to sanitize and loosen debris, Load devices into baskets and place in ultrasonic bath to loosen debris, Steam clean/scrub devices, Scrub devices with variety of implements to remove debris (blood, human tissue)
- Dry, cleaned devices using compressed air
- In each duty previously listed, technician must confirm devices are kept separate according to documentation and/or organizational system
- Verify that devices being sent to next production area are an exact match to documentation and paper records, sign off on documents
- Assist other departments as needed to ensure production output meets or exceeds goals
- Other duties as assigned

Here's some highlights of what we have to offer:

- Set 40-hour Weekly Schedules with Consistent Work Hours
- Climate Controlled Environment
- Company Paid Scrubs (uniforms)
- 3 Choices of Medical Insurance Coverage
