Lil Baby

If you've been paying attention to the Billboard charts at all this year, you know that Lil Baby has been a constant presence on them.

My Turn, the latest album from the 25-year-old Atlanta rapper born Dominique Jones, was just named the most popular album in the U.S. for the first half of 2020, according to Nielsen Music/MRC Data's 2020 midyear charts; the full-length has spent five nonconsecutive weeks atop the Billboard 200 albums chart since its late February release, including the past four chart weeks.
