★★★★★ **No unwanted scent—yay! Works just like name brand**

These work every bit as well as the Arm and Hammer or Hoover brand of bags. The only difference that I can see is that there is no Febreze embedded in the bags. I do not like to buy products that have an unwanted or objectionable scent in them. In the regular stores like Walmart and Target these bags w/Febreze are 3 bags in a pkg \$10. These are perfectly budget friendly. If you want bags with a scent, put a couple of drops of essential oil on the bag before you vacuum.

We have an upright wind tunnel (not the Hoover brand, but it uses Y style bags). I've been searching for inexpensive bags since the start of spring. We have a cat and as any cat owner knows, they shed a ton in the summer. These bags are not only inexpensive but they work great. They fit perfectly and have given our old (jammed up) vacuum cleaner a new lease on life. I think I'm going to purchase another bag, in case these disappear. I'm totally happy with my purchase :)

Hard to get on vacuum. Thin paper. I bought for the amount for cheap. As I use this vacuum for cleaning of foster pets room. Kittens are very messy in general. If I was using vacuum for housekeeping I would go with brand name
