CONSENT

1. Medical Development International Ltd., Inc. ("Registrant") is the owner of record with respect to Reg. No. 3,401,282 for the mark RECLAIM covering "cost containment, review and utilization analysis in the field of healthcare services; interactive medical recordkeeping services for use in risk management, claims payment, administration and regulatory compliance; verifying and monitoring the credentials of doctors and other medical professionals" in International Class 35 and "medical health plan and claims administration; organization and administration of preferred provider plans in the medical field" in International Class 36 ("Registrant's Mark"), which registration has been cited as a bar to registration of the above-referenced application ("Applicant's Mark").
2. Applicant's Mark covers "fraud detection services in the field of health care insurance; investigation services related to insurance claims" in International Class 45.
3. Registrant and Applicant agree that the aforementioned services covered by Registrant's Mark in International Classes 35 and 36 are sufficiently distinct from the aforementioned services covered by Applicant's Mark in International Class 45 to prevent a likelihood of confusion.
4. Registrant alleges a July 12, 2007 date of first use with respect to Registrant's Mark. Health Research Insights, Inc. ("Applicant") alleges a February 5, 2007 date of first use with respect to Applicant's Mark. As such, Applicant's Mark and Registrant's Mark have coexisted in the marketplace for almost two years, and neither party is aware of any instances of actual consumer confusion.
5. Both Registrant's and Applicant's consumers are sophisticated professionals who are unlikely to be confused as to the origin of the parties' services, and both Applicant's and Registrant's services are of the type that would be purchased only after careful consideration of, and investigation into, the identity of the provider of those services.

6. Applicant and Registrant agree to work together in good faith to prevent any consumer confusion in the future.

7. In light of the foregoing, Registrant hereby consents to registration of Applicant's Mark.
