Please amend the application to delete the intent to use basis:

REMARKS

This is a Response to the Suspension Notice mailed February 8, 2018.

Applicant has amended the goods in Class 35 because of a typo in the application as filed. “.....retail store services and wholesale store services featuring **hags** and pouches...”, but should be “.....retail store services and wholesale store services featuring **bags** and pouches;....”. Applicant believes the amended Class 35 identification of services is acceptable.

As requested by the Examining Attorney, and pursuant to Section 44(e) of the Trademark Act, 15 USC §1126(e), and Trademark Rule 2.34(a)(3)(ii), Applicant submits as Exhibit 1 a true copy of its Japanese Registration No. 6010208 and the English translation.

Applicant maintains that the application as further amended is acceptable and Applicant respectfully requests the Examining Attorney’s efforts toward publication of Applicant’s mark in the *Official Gazette*.

Should the Examining Attorney have any questions, the Examining Attorney is invited to contact Applicant's undersigned attorney.
