

## **Remarks**

The instant application currently includes the following goods under a 1(b) Intent to Use basis: "artificial stone; non-metal prefabricated building kits; insect screens not of metal; non-metal window frame; non-metal doors" in Class 19. Applicant requests that the 1(b) basis be deleted and the above-mentioned goods be registered solely under Section 44(e) supported by Registration Nos. 0334273 and 0328477 (registration dates: 02/24/1996 and 12/04/1995) from the Republic of Korea (copies of the certificates and English translations thereof are enclosed).

Regarding all remaining goods in the application, which are also under a 1(b) Intent to Use basis, Applicant requests that the 1(b) basis be deleted and these remaining goods be registered solely under Section 44(e) supported by Registration No. 1238686 (registration date: 03/10/2017) from the Republic of Korea (a copy of the certificate and an English translation thereof is enclosed).

Thus Applicant requests that the 1(b) basis be deleted and all goods in the instant application be registered solely under Section 44(e).
