Item # wkdu37ds5zddoubleupdelta

The Double Up Delta 136cm Wakeboard gets its shape from the Antidote series, providing the Delta a quick and smooth feel, a lofty pop, and quick response time. The Delta was designed with the price conscious aggressive rider in mind.

Bearing its shape from the Greg Nelson Pro and the Antidote, the Delta gets a team graphic and name from all our core riders ripping it up in the waterways of Nor Cal.

Board Length	Width	Rocker
136cm	40.64cm	2.3 inches Continuous
