## Sleep Sound Therapy System

Proven to help you sleep, relax, renew

**Neurologically Clinically Proven Sleep Therapy**

**Dr. Lee Bantel**  
Medical Researcher - Sound Solutions

Let 25 years of sleep research help you sleep better and feel healthier.

Your brain responds to sounds that it hears. Sound Oasis plays back nature sounds, music and therapy sounds based on Delta, Alpha or Beta brainwaves that coax your brain to match the frequency and enter a healthy state of sleep or relaxation.

#1 Rated Sound Quality - professional, digitally recorded sounds  
Exclusive Sleep Enhancement™ Technology - gradually slows playback speed to gently lull you to sleep  
Exclusive Sound Card Technology - change sounds by inserting a new sound card  
Sleep Timer with Auto Shutoff - continuous play or auto shutoff in 30, 60, 90 min.  
Beckitt Alarm Clock - wake to selected sound or buzzer; brightness control  
Battery or Outlet Powered - AC adapter included (or 4 "AAA" batteries (not included))
