

Grass Be Green Chewable Tablets!

Does your dog's urine yellow your lawn?
Grass Be Green contains healthy ingredients that help to diminish those yellow spots when fed to your dog on a daily basis.

Give Daily to Dogs: Administer with food.
(Do Not Use for Cats)

0 - 10 lbs.	1 tablet
11 - 20 lbs.	2 tablets
21 - 50 lbs.	3 tablets
51 - 80 lbs.	4 tablets
81 + lbs.	5 tablets

If your dog is on a "prescription diet" by a veterinarian, or if your dog has a metabolic disease (particularly liver or kidney dysfunction) then consult your veterinarian before using. Feed only the recommended amount to avoid adverse effects of excess methionine consumption.

This product is intended for intermittent or supplemental feeding only.
