

FISHERMAN:

The **THUMPER® JIG** is the deadliest spinner jig on the planet! It features a pulsating "thumper" belly blade that flickers, flashes & flutters to attract fish and provoke 'em to strike! A Matzuo™ "Needle-Point" hook and "double-barb" bait holding collar securely holds live bait and soft plastic grubs, worms & tubes on the hook.

For best results cast and let it flutter down around weeds, rocks & timber, or troll and drift them slowly along the bottom. **Swim 'em, hop 'em drag 'em or flutter 'em down. It lures 'em in . . . and turns 'em on!**
