Fresh handmade sweet cornbread bites fried to a golden brown & served with our homemade honey butter. We cooked up over a zillion of these puppies last year.

Wild American Peel & Eat Shrimp, chilled and covered in Captain John's secret spices. ¼ LB • ½ LB • 1 LB

## Fresh Fish Bites

A generous portion of our bite sized fresh catch of the day, fried and served with our homemade remoulade sauce. These bites are off the hook!

## Lowcountry Crab Dip

A creamy blend of Blue Crab, herbs and spices. Served chilled with our homemade pita chips. Don't be shellfish, this dip is meant to be shared.

## Jake's Famous Shrimp Toast

A Salty Dog classic since the early days. Wild American Shrimp blended with shredded Jack and Cheddar cheese blend, garlic and

spices. Served melted over a toasted hoagie roll. Cheers to our toast, it isn't just for breakfast!

### Southern Sushi

It's Herb's latest creation... BBQ Rubbed Tuna, seared and served rare with a little coleslaw and soy BBQ drizzle. This classic has been a staple since... today! It's new, so let us know what you think.

### Oysters on the Half Shell

Served the 1/2 LB Dozen or Full Dozen

### Alaskan Snow Crab Legs

1/2 LB Alaskan Snow Crab Legs Flown in fresh daily by a real Eskimo... OK, not really, but they are delicious! Served with drawn butter for dipping!
