### ThermaZone

#### Advanced Heat or Cool Therapy

The first affordable, portable source of continuous, targeted heating or cooling therapy offering soothing pain relief without the use of ice. Physician-designed device and relief pads mean immediate pain management where you need it and when you need it. It eliminates the inconvenience of treatments that start off too hot or cold. ThermaZone won't lose its therapeutic effectiveness because unlike other thermal therapy devices, the temperature remains constant over time.

#### Features & Benefits:

- Measures 11" x 4½" x 4½"
- Weighs 3 lbs 7 oz
- Heats and cools
- 20 levels of adjustable temperature
- 38°F to 128°F
- Runs without the use of ice
- Heats or cools in a matter of minutes

New in 2012!

### Biofreeze® Pain Relieving Products

Biofreeze® pain relieving gel offers deep penetrating, long lasting pain relief from arthritis, sore muscles and joints, backaches and more. Using cryotherapy, Biofreeze® relieves pain in sore muscles for up to several hours. Pain-free muscles heal faster. Biofreeze® is greaseless, stainless and has a vanishing scent.

Now there is a new, improved formula of Biofreeze®:

- Preferred by 4 out of 5 topical analgesic users
- Applies easier and penetrates quickly
- Even more natural formula with a proprietary herbal blend
- 100% paraben and propylene glycol free

|                                                  | Each     | Case             | MSRP    |
