Why Valencia

The Valencia Difference

Winner of the 2012 Aspen Prize for Community College Excellence, Valencia provides a quality education at a value. You'll get the same education available at a state university, only at about half the cost. And, with smaller campuses and classes, you'll get more support along the way. You'll also have the flexibility to take classes when and where you want – day, night or weekend at any of our four campuses, or online. And, [Flex Start](#) courses are starting all the time. Then, when you're finished, you'll be ready to go straight into a high-skill, high-wage job or transfer to a four-year university as a junior with guaranteed admission.
