HOMEOWNER INSURANCE

You work hard for your  
most valued possessions.  
You deserve the best value for  
your insurance dollar.

A N P A C H O M E S A F E A N D S O U N D ®

**Y**our home is more than just where you live. It reflects your unique character, hard work and personal dreams. It's filled with memories as well as treasures you want to protect.

At American National Property and Casualty Company (ANPAC®) we've created ANPAC HOME SAFE & SOUND® just for that purpose.

We understand that you expect your homeowner's insurance to safeguard you from financial distress in the event of fire, theft, tornado or other covered events.

Our coverage is specially designed to meet your unique needs for dwelling replacement, contents replacement,

outbuildings and other structures, loss of use, personal liability, medical payments to others, credit card forgery, and extended coverage for home computers, special treasures, or higher coverage limits if needed.

ANPAC offers even more to our customers with cash rewards and services at no extra charge to you.

**ANNUAL REVIEW** – To assure that your insurance needs are being met, you should meet with your American National agent at least once a year to discuss any changes that need to be made to your policies. These reviews will help to provide the protection and security you deserve!

**CHECKLIST** – No one knows your needs better than you. With ANPAC HOME SAFE & SOUND®, your agent will help you determine the right coverages at the best value for your insurance dollar.

**ANPAC FIVE STAR CLAIMS SERVICE™** – 24 hours a day/7 days a week you can report claims to our toll free number **1-800-333-2860**. Nine of ten ANPAC claims customers say they would recommend us to a friend.

**INDIVIDUALLY TAILORED POLICIES** – With ANPAC HOME SAFE & SOUND®, the greater your investment in your home, the more you need our specialized higher coverage amounts for your most prized possessions. Our specialized coverage amounts for personal items such as jewelry, furs, collectible coins, securities, etc., are based on a percentage of

the covered value of your home, rather than the usual flat limits used by many other insurers.

**CASHBACK FROM ANPAC®** – Finally, a reward that is specific to you. This program pays you up to 25% of your combined auto and homeowner premiums if you remain claim free for three consecutive years. **CASHBACK From ANPAC®** is our way of giving our policyholders the premium break they deserve.
