

	CULTURAL CENTERS - THEME PARKS				worlds fairs/ expos
	VISIONEERING has designed THEME PARKS for clients worldwide.				exhibition and museum design
	VISIONEERING directs FINANCIAL FEASIBILITY STUDIES ; creates the CONTENT and ARCHITECTURAL PLANS ; and puts together SPONSORSHIP packages.				exhibition and museum design
	Examples of our design work include: ROMAFAIR™ - created by VISIONEERING for a financial consortium in Rome, Italy. The theme is the recreation of a Classic Roman City.				theme park and cultural center design
	PARCO SPETTACOLO™ - created by VISIONEERING for a consortium of ARCHITECTS, ENGINEERS and FINANCIERS . The theme is to create a high-tech, interactive MUSIC CENTER in Naples, Italy.				media rooms multi-image
	PROJECT SUNRISE - creative design consulting by VISIONEERING for a private company in Sydney, Australia. The Park primarily tells the history of Australia.				video walls
	GEONOVA™ - created by VISIONEERING as an international cultural center. EDUCATIONAL content will be shown through the latest technologies, including 3-D motion simulator shows; 360° MULTI-MEDIA and LASER presentations and a full CHILDREN'S INTERACTIVE MUSEUM . GeoNova integrates live theater and media.				laser billboard laser shows
