

THIS ARTICLE MEETS
ALL FLAMMABILITY
REQUIREMENTS OF
CALIFORNIA
BUREAU OF HOME
FURNISHINGS
BULLETINS 116 AND 117.
CARE SHOULD BE
EXERCISED NEAR OPEN
FLAME OR WITH BURNING
CIGARETTES

PRODUCT WARRANTY

MTS Seating warrants the products it manufactures and sells under normal contract usage, against defective material or workmanship for one year from date of purchase. All metal frames are warranted against frame failure for 5 years from date of purchase. Upholstery materials carry no warranty from MTS Seating and, therefore, cut or torn upholstery will not be covered by warranty.

COMFORTmode® Foam

COMFORTmode® foam is a superior quality, virgin polyurethane, fire retardant foam that is especially formulated for use in applications where high performance and premium quality is required.

WARNING: THE FOAM IN THIS CHAIR IS FLAMMABLE UNDER CERTAIN CONDITIONS

This foam is flame retardant but when in contact with sufficient heat, it will burn releasing heat and consuming oxygen. In an enclosed space, the resulting deficiency of oxygen can present a danger of suffocation to the occupants. Smoke and gases released by the burning foam can be incapacitating or fatal to human beings if inhaled in sufficient quantities.

Upholstery covers may also burn and react in a similar manner as foam when exposed to sufficient heat.

Do not expose polyurethane foam to flame or heat such as from smoking materials, naked lights, open flames, space heaters or other sufficiently intense causes of heat flame.

CUSTOMER MAINTENANCE REQUIREMENTS

- To insure the durability and longevity of this product, it is important to clean and care for it. Check all points of attachment and tighten as needed; i.e. cushion to base of frame, bolts, nuts, and screws.
- Check all weld or braze points. If broken or cracked weld or braze is found, remove product from service and contact customer service at the factory. This is part of standard maintenance and upkeep, and should be done every 30 days.

Where applicable, California 93120 compliant for formaldehyde.
