Commissions on Demand

Commissions on Demand gives Member Firms the ability to make commission requests online. Functions available through Commissions on Demand include:

- Request commissions
- Review online [commission statements](#)
- Download [commission detail spreadsheet](#)
- Review pending and historical commissions

eMperor

eMperor gives Member Firms online access to the Broker/Dealer's back office. Administrative staff, producing representatives and OSJs can all access eMperor.

Functions available through eMperor include:

- View client [account information](#)
- Track client account documents
- Review licensing information
- Produce 18 trade, marketing, and compliance reports
