FOR INDUSTRIAL USE ONLY

KEEP OUT OF REACH OF CHILDREN

May be irritating to skin, eyes and mucous membranes. Avoid contact with skin, eyes, and mucous membranes. Wear safety glasses or goggles and protective clothing when handling this product. Wash thoroughly after handling.

FIRST AID

In case of contact: Immediately flush eyes and skin with plenty of water for at least 15 minutes while removing contaminated clothing and shoes. Get medical attention if irritation develops and persists. Wash clothes before reuse.

If swallowed: DO NOT induce vomiting. Give victim large amounts of milk or water. Never give anything by mouth to an unconscious person. Get medical attention.

CHEM-TREC EMERGENCY NUMBER 1-800-424-9300

USE AND DIRECTIONS

Fresh-N-Crisp® Concentrated Liquid Laundry Detergent is specifically formulated to handle tough soils. Formulated to handle most water conditions, Fresh-N-Crisp® is effective in hard or soft waters as well as cold or hot water washing. Fresh-N-Crisp also includes an improved brightening system that won't bleach materials under lightly soiled conditions. And best of all, Fresh-N-Crisp® laundry detergents are biodegradable, decomposing in sewage treatment plants to reduce water pollution.

DIRECTIONS FOR USE:

- Medium-to-Large Capacity Automatic Washers ..... Use 4–6 oz. of Fresh-N-Crisp® per load of laundry
• Heavy Duty and Industrial Automatic Washers ..... Use 6–8 oz. of Fresh-N-Crisp® per load of laundry
To achieve desired results when washing in hard water areas, or heavily soiled clothing, slightly more Fresh-N-Crisp® may be required. For heavily soiled loads, a sanitizing rinse cycle is recommended.

STORAGE AND DISPOSAL

Thoroughly rinse all measuring devices and store out of reach of children. Store in a cool dry place. Avoid contact with food or feed. Keep container tightly closed when not in use. Do not reuse empty container. Rinse container before disposing in safe manner.
