Fresh-N-Crisp®

Heavy Duty Powdered Farm Laundry Detergent

Fresh-N-Crisp® Heavy Duty Powdered Farm Laundry Detergent is specifically formulated to handle the tough soils found on farm clothing, dairy udder prep towels, shop towels, etc. Formulated to handle most water conditions, Fresh-N-Crisp is effective in hard or soft waters as well as cold or hot water washing. Fresh-N-Crisp also includes an improved brightening system that won't bleach materials under lightly soiled conditions. And best of all, Fresh-N-Crisp laundry detergents are biodegradable, decomposing in sewage treatment plants to reduce water pollution.

DIRECTIONS FOR USE:

- TOP LOADING
AUTOMATICS1/2 CUP PER LOAD
- FRONT LOADING
AUTOMATICS1/3 CUP PER LOAD

To achieve desired results when washing in hard water areas, heavily soiled clothing or dairy towels, slightly more Fresh-N-Crisp may be required. For heavily soiled loads, a sanitizing rinse cycle is recommended.

FIRST AID:

Eye Contact: Flush with large amounts of water for at least 15 minutes. Remove contacts if present after the first 5 minutes and then continue flushing.

Skin Contact: Flush with water. If irritation develops, get medical attention.

If Swallowed: Do not induce vomiting. Give victim large amounts of milk or water. Get immediate medical attention. Never give anything by mouth to an unconscious person.

STORAGE AND DISPOSAL:

THOROUGHLY RINSE ALL MEASURING DEVICES AND STORE OUT OF REACH OF CHILDREN. Store in a cool dry place. Keep container closed when not in use. Do not reuse empty container. Thoroughly rinse empty container before disposing in a safe manner. Avoid contact with food.

Read and understand all directions before using this product. For additional information refer to the Material Safety Data Sheet (MSDS) available from your dealer.

Keep Out Of Reach Of Children.

Contact with undiluted product can cause severe irritation to eyes, skin and mucous membranes. Avoid contact with undiluted product.
