

Design & Performance that has been Trusted for Years. CARELET® Safety Lancets

TRUSTED DESIGN:

- + Ergonomically shaped for comfortable usage
- + Promotes confident operation & handling assurance

SIMPLE AND EASY TO USE:

- + Single-hand, one-step operation saves valuable time
- + Minimized steps reduce training time

MORE ACCURATE SAMPLING:

- + Distinct color codes promote correct product selection
- + Top mounted activation button maximizes visibility for precise placement

PROMOTES SAFETY:

- + Engineered for single use only (prevents product reuse)
- + Automatic retraction of lancet after activation minimizes exposure of sharp and possible contamination

+ Manufactured by Facet Technologies

+ Size & Color Codes that are Convenient and Easy to Recognize

- + **Better Value**
- Now available at reduced price!
