## Who we are

### Coface : Trade risk expert

**The Coface Group is a trade risk expert and a worldwide leader in credit insurance. It assists companies -regardless of their size, business sector or country- as they grow within their domestic and export countries.**

#### A worldwide leader

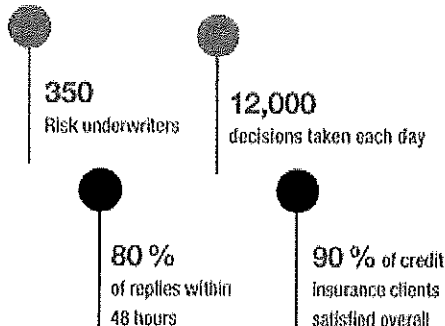

The Group offers credit insurance solutions that aim to protect businesses against the risk of financial default by their customers.

It helps to support its clients by assessing and preventing risks, so that they can make the best decisions at the most opportune moment thanks to comprehensive, detailed analysis of country, sector and credit risk.

This analysis draws on a powerful international network that also enables it to offer its customers credit insurance services in 97 countries, directly or via its partners.

#### Effective underwriting

€1,550 million of Turnover

Direct presence in 60 countries

35,000 clients in credit insurance

4,600 employees
