

LexisNexis Risk Management™ Solutions

Through its flagship product **Banko** LexisNexis Risk Management offers **automated bankruptcy solutions** to help servicing management professionals improve operational efficiency and eliminate manual processes.

Banko delivers the key information needed for automated bankruptcy notification and bankruptcy case management. Leveraging the massive LexisNexis public records collections with proprietary search processes and access methods, Banko helps you **discover, monitor** and **manage** changes in bankruptcy case information.

Let **Banko** show you how to automate bankruptcy notification and enhance operational efficiency.

Simply complete the following form to request more information and a representative will be in touch with you as soon as possible.
